Success Stories

MTunes

MTunes is an Indian entertainment company that was having trouble keeping up with deadlines due to inconsistent programs and files.

3 THINGS I LEARNED

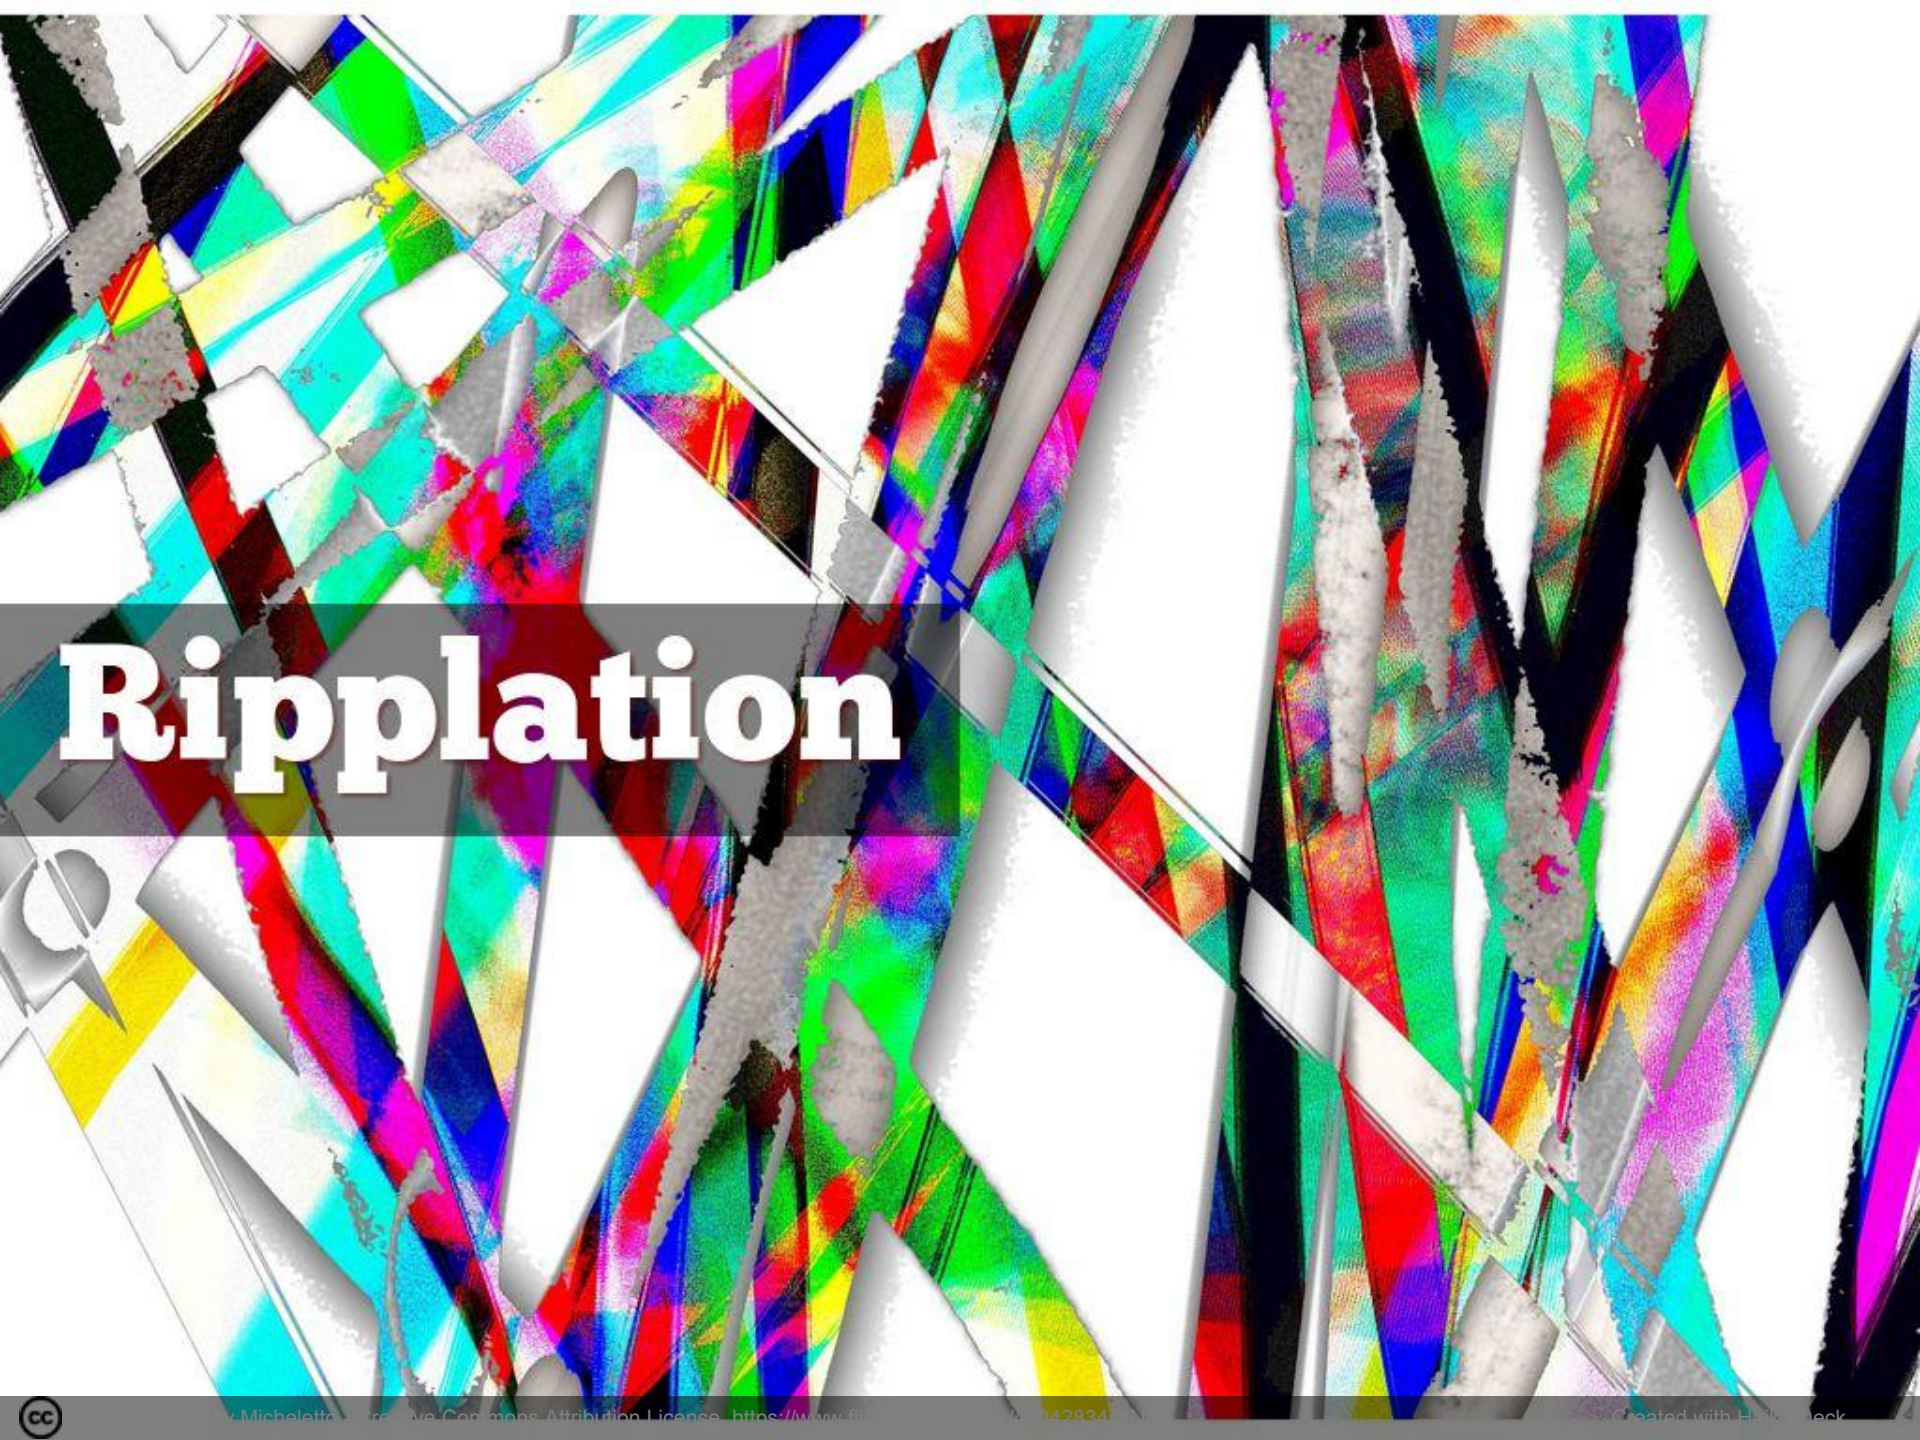

- **1. Time Matters**
- **MTunes is now saving up to 3 hours by using programs that are designed to work together**

3 THINGS I LEARNED

- **2. Interface**
- **Adobe programs have very similar interfaces which makes switching between programs quick and easy**

3 THINGS I LEARNED

- **3. Adobe has a program called Adobe Audition**
- **Adobe Audition is used for audio tracks**

Ripplation

A close-up photograph of a LEGO minifigure and a LEGO dragon. The minifigure, on the left, is wearing a blue and red outfit with a yellow backpack and is holding a silver sword. The dragon, on the right, is blue and green with yellow horns. They are positioned in front of a large, brown, circular LEGO structure that resembles a wheel or a portal. The background is a warm, orange-yellow color.

Ripplation is a Japanese entertainment company that creates role playing games for mobile devices, as well as runs multiple websites.

3 THINGS I LEARNED

- **1. Adobe Muse**
- **Muse is a program Adobe has for creating websites that lets you edit while in the browser**
- **<http://muse.adobe.com/>**

3 THINGS I LEARNED

- **2. Muse can be used with Dreamweaver and InDesign to create websites**

3 THINGS I LEARNED

- **3. Muse lets you adjust the spacing between individual characters on a website**
- **This allows you to have a customized and extra polished look for your website**

A wide-angle photograph of a desert landscape at sunset. The foreground is filled with rolling sand dunes, their ridges and valleys catching the low light. In the distance, a range of mountains is silhouetted against the bright, orange and yellow sky. The overall mood is serene and contemplative.
